To the Shareholders

Dear Sir/Madam,

ADOPTION OF SHARE OPTION SCHEME

INTRODUCTION

The purpose of this circular is (i) to provide you with information on the proposed adoption of the Share Option Scheme; and (ii) to give you a notice of the Extraordinary General Meeting at which a resolution will be proposed to consider and, if thought fit, to approve the adoption of the Share Option Scheme.

ADOPTION OF SHARE OPTION SCHEME

The Directors proposed to adopt the Share Option Scheme, the principal terms of which are set out in the Appendix. Adoption of the Share Option Scheme is conditional upon (i) the approval of the adoption of the Share Option Scheme by the Shareholders at the Extraordinary General Meeting; and (ii) the Stock Exchange granting approval for the listing of, and permission to deal in, the shares of the Company which may be issued upon the exercise of the options which may be granted under the Share Option Scheme.

* *For identification purposes only*

LETTER FROM THE BOARD

An application will be made to the Stock Exchange for the approval of the listing of, and permission to deal in, the shares of the Company which may be issued upon the exercise of the options which may be granted up to 10% of the total number of Shares in issue as at the date of the Extraordinary General Meeting under the Share Option Scheme.

The Company currently has no share option scheme in place. The purpose of the Share Option Scheme is to enable the Company to grant options to selected eligible participants as incentives or rewards for their contribution or potential contribution to the Group. The Directors considers that the Share Option Scheme will provide the eligible participants with the opportunity to acquire proprietary interests in the Company and will encourage such eligible participants to work towards enhancing the value of the Company and the Shares for the benefit of the Company and the Shareholders as a whole.

The Share Option Scheme does not specify a minimum period for which an option must be held nor a performance target which must be achieved before an option can be exercised. However, the rules of the Share Option Scheme provide that the Board may determine, at its sole discretion, such terms and conditions on the grant of an option. This determination may vary on a case by case basis but no such terms will be imposed the result of which will be to the advantage of the eligible participant. The basis for the determination of the subscription price is specified in the rules of the Share Option Scheme.

Based on the 5,588,705,360 Shares in issue as at the Latest Practicable Date and assuming that there is no change in the issued share capital of the Company before the Extraordinary General Meeting, the maximum number of Shares to be issued upon the exercise of options that may be granted under the Share Option Scheme are 558,870,536 Shares, being 10% of the issued share capital of the Company pursuant to Rule 17.03 of the Listing Rules.

As at the Latest Practicable Date, no options have been granted and thus the Company considers that it would not be appropriate to disclose in this circular the value of options that may be granted under the proposed Share Option Scheme. In the event that options are granted during a financial year, the Company will disclose the value of such options granted during the financial year in its annual report and interim report.

EXTRAORDINARY GENERAL MEETING

A notice convening the Extraordinary General Meeting is set out on page 15 of this circular. A form of proxy for the Extraordinary General Meeting is enclosed with this circular. Whether or not you intend to be present at the Extraordinary General Meeting, you are requested to complete the form of proxy and return it to the Company's branch share registrar, Hong Kong Registrars Limited at Shops 1712-1716, 17/F, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon not less than 48 hours before the time fixed for the Extraordinary General Meeting. The completion and delivery of a form of proxy will not preclude you from attending and voting at the meeting in person.

At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is required to be taken under the Listing Rules or unless a poll is (before or on the declaration of the result of the show of hands) demanded (a) by the chairman; or (b) by at least

LETTER FROM THE BOARD

three members present in person or by proxy for the time being entitled to vote at the meeting; or (c) by any member or members present in person or by proxy and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or (d) by any member or members present in person or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of all the shares conferring that right.

On a show of hands, every member who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative shall have one vote, and on a poll every member present in person or by proxy shall have one vote for every fully-paid share of which he is the holder. On a poll a member entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.

No Shareholder has any material interest in the proposed adoption of the Share Option Scheme and therefore no Shareholder is required to abstain from voting at the Extraordinary General Meeting in respect of the resolution to approve the adoption of the Share Option Scheme.

RECOMMENDATION

The Directors (including the independent non-executive directors) are of the opinion that the adoption of the Share Option Scheme is in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders should vote in favour of the relevant resolutions to be proposed at the Extraordinary General Meeting.

DOCUMENTS AVAILABLE FOR INSPECTION

Copy of the draft rules of the Share Option Scheme will be available for inspection at the principal place of business of the Company in Hong Kong at Suite 3807, 38/F, Central Plaza, 18 Harbour Road, Wanchai, Hong Kong during normal business hours on any business day from the date of this circular up to and including the date of the Extraordinary General Meeting.

Yours faithfully,
For and on behalf of
Tingyi (Cayman Islands) Holding Corp.
Wei Ing-Chou
Chairman

The following is a summary of the principal terms of the Share Option Scheme proposed to be approved at the Extraordinary General Meeting.

(a) Purpose

The Share Option Scheme is a share incentive scheme and is established to recognise and acknowledge the contributions the Eligible Participants (as defined in paragraph (b) below) had or may have made to the Group. The Share Option Scheme will provide the Eligible Participants an opportunity to have a personal stake in the Company with the view to achieving the following objectives:

- (i) motivate the Eligible Participants to optimise their performance efficiency for the benefit of the Group; and
- (ii) attract and retain or otherwise maintain on-going business relationship with the Eligible Participants whose contributions are or will be beneficial to the long-term growth of the Group.

(b) Who may join

The Board may, at its discretion, offer to grant an option to subscribe for such number of new Shares as the Board may determine at an exercise price determined in accordance with paragraph (e) below to:

- (i) any full-time or part-time employees, executives or officers of the Company or any of its subsidiaries;
- (ii) any directors (including non-executive directors and independent non-executive directors) of the Company or any of its subsidiaries; and
- (iii) any advisers, consultants, suppliers, customers and agents to the Company or any of its Subsidiaries.

Upon acceptance of the option, the grantee shall pay HK\$1.00 to the Company by way of consideration for the grant. Any offer to grant an option to subscribe for Shares may be accepted in respect of less than the number of Shares for which it is offered provided that it is accepted in respect of a board lot of dealing in Shares on the Stock Exchange or an integral multiple thereof and such number is clearly stated in the duplicate offer document constituting the acceptance of the option. To the extent that the offer to grant an option is not accepted by any prescribed acceptance date, it shall be deemed to have been irrevocably declined.

(c) Maximum number of Shares

The maximum number of Shares in respect of which options may be granted under the Share Option Scheme and under any other share option schemes of the Company must not in aggregate

exceed 10% of the total number of Shares in issue at the time the Share Option Scheme is adopted by the Shareholders. Subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting and/or such other requirements prescribed under the Listing Rules from time to time, the Board may:

- (i) renew this limit at any time to 10% of the Shares in issue as at the date of the approval by the Shareholders in general meeting; and/or
- (ii) grant options beyond the 10% limit to Eligible Participants specifically identified by the Board. The circular issued by the Company to the Shareholders shall contain a generic description of the specified Eligible Participants who may be granted such options, the number and terms of the options to be granted, the purpose of granting options to the specified Eligible Participants with an explanation as to how the options serve such purpose, the information required under Rule 17.02(2)(d) and the disclaimer required under Rule 17.02(4) of the Listing Rules.

Notwithstanding the foregoing, the Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company at any time shall not exceed 30% of the Shares in issue from time to time. No options shall be granted under any schemes of the Company (including the Share Option Scheme) if this will result in the 30% limit being exceeded. The maximum number of Shares in respect of which options may be granted shall be adjusted, in such manner as the auditors of the Company or an approved independent financial adviser shall certify to be appropriate, fair and reasonable in the event of any alteration in the capital structure of the Company in accordance with paragraph (q) below whether by way of consolidation, capitalisation issue, rights issue, sub-division or reduction of the share capital of the Company but in no event shall exceed the limit prescribed in this paragraph.

(d) Maximum number of options to any one individual

The total number of Shares issued and which may fall to be issued upon exercise of the options granted under the Share Option Scheme and any other share option schemes of the Company (including both exercised and outstanding options) to each Eligible Participant in any 12-month period up to the date of grant shall not exceed 1% of the Shares in issue as at the date of grant. Any further grant of Options in excess of this 1% limit shall be subject to:

- (i) the issue of a circular by the Company containing the identity of the Eligible Participant, the numbers of and terms of the options to be granted (and options previously granted to such participant) the information as required under Rules 17.02(2)(d) and the disclaimer required under 17.02(4) of the Listing Rules; and
- (ii) the approval of the Shareholders in general meeting and/or other requirements prescribed under the Listing Rules from time to time with such Eligible Participant and his associates (as defined in the Listing Rules) abstaining from voting. The numbers and terms (including the exercise price) of options to be granted to such participant must be fixed before the Shareholders' approval and the date of the Board meeting at which the Board proposes to

grant the options to such Eligible Participant shall be taken as the date of grant for the purpose of calculating the subscription price of the Shares. The Board shall forward to such Eligible Participant an offer document in such form as the Board may from time to time determine.

(e) Price of Shares

The subscription price of a Share in respect of any particular option granted under the Share Option Scheme shall be such price as the Board in its absolute discretion shall determine, save that such price will not be less than the highest of:

- (i) the official closing price of the Shares as stated in the Stock Exchange's daily quotation sheets on the date of grant, which must be a day on which the Stock Exchange is open for the business of dealing in securities;
- (ii) the average of the official closing prices of the Shares as stated in the Stock Exchange's daily quotation sheets for the five business days immediately preceding the date of grant; and
- (iii) the nominal value of a Share.

(f) Granting options to connected persons

Any grant of options to a director, chief executive or substantial shareholder (as defined in the Listing Rules) of the Company or any of their respective associates (as defined in the Listing Rules) is required to be approved by the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the Options). If the Board proposes to grant options to a substantial shareholder or any independent non-executive Director or their respective associates (as defined in the Listing Rules) which will result in the number of Shares issued and to be issued upon exercise of options granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:

- (i) representing in aggregate over 0.1% or such other percentage as may be from time to time provided under the Listing Rules of the Shares in issue; and
- (ii) having an aggregate value in excess of HK\$5 million or such other sum as may be from time to time provided under the Listing Rules, based on the official closing price of the Shares at the date of each grant,

such further grant of options will be subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting on a poll at which all connected persons (as defined in the Listing Rules) of the Company shall abstain from voting in favour, and/or such other requirements prescribed under the Listing Rules from time to time. Any vote taken at the meeting to approve the grant of such options shall be taken as a poll.

The circular to be issued by the Company to the Shareholders pursuant to the above paragraph shall contain the following information:

- (i) the details of the number and terms (including the exercise price) of the options to be granted to each selected Eligible Participant which must be fixed before the shareholders' meeting and the date of Board meeting for proposing such further grant shall be taken as the date of grant for the purpose of calculating the exercise price of such options;
- (ii) a recommendation from the independent non-executive Directors (excluding any independent non-executive Director who is the grantee of the options) to the independent Shareholders as to voting;
- (iii) the information required under Rule 17.02(2)(c) and (d) and the disclaimer required under Rule 17.02(4) of the Listing Rules; and
- (iv) the information required under Rule 2.17 of the Listing Rules.

(g) Restrictions on the times of grant of Options

A grant of options may not be made after a price sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been published pursuant to the requirements of the Listing Rules. In particular, no options may be granted during the period commencing one month immediately preceding the earlier of:

- (i) the date of the Board meeting (as such date to first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of the Company's annual results, half-year, quarterly or other interim period (whether or not required under the Listing Rules); and
- (ii) the deadline for the Company to publish an announcement of its annual results, or half-year, or quarterly or other interim period (whether or not required under the Listing Rules)

and ending on the date of actual publication of the results announcement.

(h) Rights are personal to grantee

An option is personal to the grantee and may be exercised or treated as exercised, as the case may be, in whole or in part. No grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest (legal or beneficial) in favour of any third party over or in relation to any option or attempt so to do.

(i) Time of exercise of Option and duration of the Share Option Scheme

An option may be exercised in accordance with the terms of the Share Option Scheme at any time after the date upon which the Option is deemed to be granted and accepted and prior to the expiry of 10 years from that date. The period during which an option may be exercised will be determined by

the Board in its absolute discretion, save that no option may be exercised more than 10 years after it has been granted. No option may be granted more than 10 years after the date of approval of the Share Option Scheme. Subject to earlier termination by the Company in general meeting or by the Board, the Share Option Scheme shall be valid and effective for a period of 10 years from the date of its adoption.

(j) Performance target

A grantee may be required to achieve any performance targets as the Board may then specify in the grant before any options granted under the Share Option Scheme can be exercised.

(k) Rights on ceasing employment or death

If the grantee of an option ceases to be an employee of the Company or any of its subsidiaries:

- (i) by any reason other than death or termination of his employment on the grounds specified in paragraph (l) below, the grantee may exercise the option up to the entitlement of the grantee as at the date of cessation (to the extent not already exercised) within a period of one month from such cessation; or
- (ii) by reason of death, his personal representative(s) may exercise the option within a period of 12 months from such cessation,

which date shall be the last actual working day with the Company or the relevant subsidiary whether salary is paid in lieu of notice or not, failing which it will lapse.

(l) Rights on dismissal

If the grantee of an Option ceases to be an employee of the Company or any of its subsidiaries on the grounds that he has been guilty of serious misconduct, or in relation to an employee of the Group (if so determined by the Board) on any other ground on which an employee would be entitled to terminate his employment at common law or pursuant to any applicable laws or under the grantee's service contract with the Group, or has been convicted of any criminal offence involving his integrity or honesty, his Option will lapse and not be exercisable after the date of termination of his employment.

(m) Rights on takeover

If a general offer is made to all the Shareholders (or all such Shareholders other than the offeror and/or any person controlled by the offeror and/or any person acting in concert with the offeror (as defined in the Takeovers Codes)) and such offer becomes or is declared unconditional during the option period of the relevant option, the grantee of an option shall be entitled to exercise the option in full (to the extent not already exercised) at any time within 14 days after the date on which the offer becomes or is declared unconditional.

(n) Rights on winding-up

In the event a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall forthwith give notice thereof to all grantees and thereupon, each grantee (or his legal personal representative(s)) shall be entitled to exercise all or any of his options (to the extent not already exercised) at any time not later than two business days prior to the proposed general meeting of the Company referred to above by giving notice in writing to the Company, accompanied by a remittance for the full amount of the aggregate subscription price for the Shares in respect of which the notice is given, whereupon the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting, allot the relevant Shares to the grantee credited as fully paid.

(o) Rights on compromise or arrangement between the Company and its members or creditors

If a compromise or arrangement between the Company and its members or creditors is proposed for the purposes of a scheme for the reconstruction of the Company or its amalgamation with any other companies pursuant to the laws of jurisdictions in which the Company was incorporated, the Company shall give notice to all the grantees of the options on the same day as it gives notice of the meeting to its members or creditors summoning the meeting to consider such a scheme or arrangement and any grantee may by notice in writing to the Company accompanied by a remittance for the full amount of the aggregate subscription price for the Shares in respect of which the notice is given (such notice to be received by the Company not later than two business days prior to the proposed meeting), exercise the option to its full extent or to the extent specified in the notice and the Company shall as soon as possible and in any event no later than the business day immediately prior to the date of the proposed meeting, allot and issue such number of Shares to the grantee which falls to be issued on such exercise of the option credited as fully paid and register the grantee as holder thereof.

With effect from the date of such meeting, the rights of all grantees to exercise their respective options shall forthwith be suspended. Upon such compromise or arrangement becoming effective, all options shall, to the extent that they have not been exercised, lapse and determine. If for any reason such compromise or arrangement does not become effective and is terminated or lapses, the rights of grantees to exercise their respective options shall with effect from such termination be restored in full but only upon the extent not already exercised and shall become exercisable.

(p) Ranking of Shares

The Shares to be allotted upon the exercise of an option will not carry voting rights until completion of the registration of the grantee (or any other person) as the holder thereof. Subject to the aforesaid, Shares allotted and issued on the exercise of options will rank *pari passu* in all respects and shall have the same voting, dividend, transfer and other rights, including those arising on liquidation as attached to the other fully-paid Shares in issue on the date of exercise.

(q) Effect of alterations to capital

In the event of any alteration in the capital structure of the Company whilst any option may become or remains exercisable, whether by way of capitalisation issue, rights issue, open offer,

consolidation, sub-division or reduction of share capital of the Company, such corresponding alterations (if any) shall be made in the number or nominal amount of Shares subject to any options so far as unexercised and/or the subscription price per Share of each outstanding option as the auditors of the Company or an independent financial adviser shall certify in writing to the Board to be in their/his opinion fair and reasonable in compliance with Rule 17.03(13) of the Listing Rules and the note thereto and the supplementary guidance issued by the Stock Exchange on 5 September 2005 and any future guidance and interpretation of the Listing Rules issued by the Stock Exchange from time to time.

Any such alterations will be made on the basis that a grantee shall have the same proportion of the issued share capital of the Company for which any grantee of an Option is entitled to subscribe pursuant to the Options held by him before such alteration and the aggregate subscription price payable on full exercise of any option is to remain as nearly as possible the same (and in any event not greater than) as it was before such event. No such alteration will be made the effect of which would be to enable a Share to be issued at less than its nominal value. The issue of securities as consideration in a transaction is not to be regarded as a circumstance requiring any such alterations.

(r) Expiry of option

An option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (i) the date of expiry of the option as may be determined by the Board;
- (ii) the expiry of any of the periods referred to in paragraphs (k), (l), (m), (n) or (o);
- (iii) the date on which the scheme of arrangement of the Company referred to in paragraph (o) becomes effective;
- (iv) subject to paragraph (n), the date of commencement of the winding-up of the Company;
- (v) the date on which the grantee ceases to be an Eligible Participant by reason of such grantee's resignation from the employment of the Company or any of its subsidiaries or the termination of his or her employment or contract on any one or more of the grounds that he or she has been guilty of serious misconduct, or has been convicted of any criminal offence involving his or her integrity or honesty, or in relation to an employee of the Group (if so determined by the Board) or any other ground on which an employee would be entitled to terminate his employment at common law or pursuant to any applicable laws or under the grantee's service contract with the Group. A resolution of the Board to the effect that the employment of a grantee has or has not been terminated on one or more of the grounds specified in this paragraph shall be conclusive; or
- (vi) the date on which the Board shall exercise the Company's right to cancel the option at any time after the grantee commits a breach of paragraph (h) above or the options are cancelled in accordance with paragraph (t) below.

(s) Alteration of the Share Option Scheme

The Share Option Scheme may be altered in any respect by resolution of the Board except that:

- (i) any alteration to the advantage of the grantees or the Eligible Participants (as the case may be) in respect of the matters contained in Rule 17.03 of the Listing Rules; and
- (ii) any material alteration to the terms and conditions of the Share Option Scheme or any change to the terms of options granted,

shall first be approved by the Shareholders in general meeting provided that if the proposed alteration shall adversely affect any option granted or agreed to be granted prior to the date of alteration, such alteration shall be further subject to the grantees' approval in accordance with the terms of the Share Option Scheme. The amended terms of the Share Option Scheme shall still comply with Chapter 17 of the Listing Rules and any change to the authority of the Board in relation to any alteration to the terms of the Share Option Scheme must be approved by Shareholders in general meeting.

(t) Cancellation of Options

Subject to paragraph (h) above, any cancellation of options granted but not exercised must be approved by the grantees of the relevant options in writing.

(u) Termination of the Share Option Scheme

The Company may by resolution in general meeting or the Board at any time terminate the Share Option Scheme and in such event no further option shall be offered but the provisions of the Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any option granted prior thereto or otherwise as may be required in accordance with the provisions of the Share Option Scheme. Options granted prior to such termination but not yet exercised at the time of termination shall continue to be valid and exercisable in accordance with the Share Option Scheme.

(v) Administration of the Board

The Share Option Scheme shall be subject to the administration of the Board whose decision as to all matters arising in relation to the Share Option Scheme or its interpretation or effect (save as otherwise provided herein) shall be final and binding on all parties.

(w) Condition of the Share Option Scheme

The Share Option Scheme is conditional on:

- (i) the Listing Committee of the Stock Exchange granting the listing of and permission to deal in the Shares which may fall to be issued pursuant to the exercise of options to be granted under the Share Option Scheme; and

- (ii) the approval of the rules of the Share Option Scheme by the Shareholders in the Extraordinary General Meeting.

(x) Disclosure in annual and interim reports

The Company will disclose details of the Share Option Scheme in its annual and interim reports including the number of options, date of grant, exercise price, exercise period and vesting period during the financial year/period in the annual/interim reports in accordance with the Listing Rules in force from time to time.
